

Shapers is proud to announce the international launch of our Asher Pacey Eco Traction Series. These earth loving pads are uniquely designed using recycled and bio-based materials that give more grip to your feet whilst easing your grip on our oceans. Stocks are limited due to high demand.

Shapers Tail Pads are considered around the world as one of the leaders for Quality, Grip and Performance. Shapers works with Surfboard Manufacturers around the world and our team of Professional Surfers to create a wide range of Tail Pads available in a variety of shapes and sizes. We supply Tail Pads for Shortboards, Twin Fin, Thrusters, Hybrids, Fish's and Petros, Round tails and Front Pads.
